#### January 27, 2021

To: The Honorable Mayor Van Arsdale, Members of the City Council, and Citizens of Cedar Park:

I am pleased to present to you the Monthly Finance Update for FY 2021 year-to-date activities through November 2020. This update includes a detailed look at key revenues and expenditures and provides a financial summary for all operating funds. Overall, the revenues and expenses in the General Fund and Utility Fund are in line with budget expectations after the first month of this new fiscal year.

This new format for the Monthly Finance Update has been redesigned to provide the same high-level summary of information in a more visual format.

#### **General Fund Revenues & Expenditures**

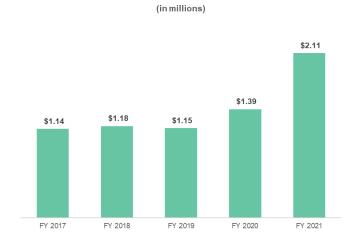

#### **General Fund Revenues**

### **Highlights**

- Ad Valorem Tax Collections amount to \$2.1M through November, an increase of 52% from FY 2020. AV collections over October and November are very sporadic. Most of the revenue for the year is received in December and January.
- Sales Tax Collections are \$2.7M through November, an increase of 12.5% from FY 2020.
- Building Permit Revenues are \$109K through November, a decrease of 48% from FY 2020.
- Parks and Recreation Fees are \$49K through November, a decrease of 57% from FY 2020.
- General Fund expenditures for Support Services have increased 15% from FY 2020 due the timing of large annual contract payments for OPEB and Property/Liability insurance. Staff anticipates this trend to normalize as the fiscal year continues.

## **Investment Activity**

The information on this page details the City's cash and investment activity for the month of October in relation to our investment policy. In summary, the City is managing \$234.3 million in cash and investments. This is a higher balance than normal because recent bond proceeds are kept invested until being expensed in the future.
